### ARTICLE I: PROLOGUE

I am married to **JOE RICHARD STACKER**, who resides with me as of the date of my execution of this Last Will and Testament. I have two children, **DEBORAH LEE STACKER STEED**, of Williamson County, Nashville, Tennessee and **JO ANNA STACKER STEWART** of Williamson County, Nashville, Tennessee.

### ARTICLE II: EXECUTRIX, DEBTS AND TAXES

I hereby nominate, constitute and appoint my daughters, **DEBORAH LEE STACKER STEED** and **JO ANNA STACKER STEWART**, to serve as Co-Executrices of my estate. I hereby excuse each of the persons or entities nominated herein to serve as a personal representative of my estate from the requirement of posting a fiduciary bond, and from the requirement of filing an inventory of my estate.

I hereby grant to these personal representatives of my estate all of the rights and powers set forth in Tennessee Code Annotated Section 35-50-110, as amended at the time of my death, or any successor statute in effect at the time of my death, insofar as the same pertains to the powers and duties of personal representatives of decedents' estates, and all of such rights and powers are incorporated expressly by this reference into this Last Will and Testament, except as they may be limited generally or in any particular application by the provisions elsewhere in this Last Will and Testament, or by a court of competent jurisdiction. In particular, but not by way of limitation, I hereby grant to the personal representatives of my estate the right and power to deal with any real estate or interest in real estate in my estate as fully as it may deal with any personal property or interest in personal property in my estate. I hereby grant to my personal representative, without

limiting the rights and powers provided to my personal representative by Tennessee Code Annotated Section 35-50-110, the right and power to invest assets of my estate in any authorized or legal investment in accordance with the Prudent Man Rule as provided in Tennessee Code Annotated Section 35-3-117, as amended at the time of my death, or any successor statute in effect at the time of my death. The personal representative of my estate may retain and hold in unchanged form, pending the administration of my estate, any assets properly acquired by my estate, including assets in my estate at the instant of my death, without the necessity of procuring any judicial authorization therefore, or approval thereof, even though the retained asset is not productive of income or otherwise would not be an authorized or legal investment permitted by the provisions of this Last Will and Testament. Provided, however, that the personal representative of my estate shall not retain any asset in my estate when it is clearly in the best interest of my estate to dispose of such asset. Provided, further, that the personal representatives of my estate shall not place or invest any funds of my estate in a certificate of deposit or any account in a financial institution which is not covered completely by the deposit insurance provided by the Federal Deposit Insurance Corporation, or its successor, or a similar department, agency or corporation of the United States. The personal representatives of my estate may apply any income upon any of the assets in my estate to principal or to income, or partially to principal and partially to income, as it may in its discretion deem best. I hereby direct the personal representative of my estate to pay my just debts, the expenses of my last illness, if any, the expenses of my burial and of my funeral, including a suitable marker for my grave, and any federal and state inheritance, estate and other death taxes pertaining to my estate as soon as practicable after my death.

The personal representatives of my estate shall have any and all powers necessary to undertake the ancillary administration of my estate in any foreign states where needed, and, in the course of the administration of my estate, to liquidate any property of my estate which may be found in any foreign state.

Dear Mrs. Smyth:

As you are aware, EQT Production Company ("EQT") has drilled the above-referenced coalbed methane gas wells on the J. B. Tiller, Eivens Tiller, and Samuel J. Tiller Tracts ("Subject Tract") either under a pooling order from the Virginia Gas and Oil Board ("Board") or as voluntary drilling unit. For these wells, as we are listed as having conflicting claims. Range Resources - Pine Mountain, Inc. ("RRPM") is listed as claiming under a coal title, and you are listed as claiming under a gas title. Plats indicating the location of the wells within the operating units are enclosed for your reference.

EQT, as operator of the units, has placed or will place all royalty proceeds attributable to conflicting claims into an escrow or suspense account. In order to allow release of the royalty proceeds, RRPM hereby waives any claims to past or to future royalties attributable to your interest in these wells.

By copy of this letter, RRPM is requesting EQT to initiate distribution directly to you of all current royalties, as well as all future royalties, attributable to your interests in these wells.

Please be advised that EQT may require that you demonstrate that you are the current owner of the gas estate. You should work directly with EQT on that issue.

If you have any questions, please do not hesitate to call me at 276-619-2583.
