LAST WILL AND TESTAMENT

I, DIANA DOLORES KISER, of Tazewell County, Virginia, declare this to be my last will and testament, and I hereby revoke all wills and codicils heretofore made by me.

ARTICLE 1

A. I may decide to leave a written statement or list identifying a person or persons to receive one or more items of my tangible personal property which are not otherwise specifically bequeathed by this will or any codicil hereto. If I do leave such a statement or list I intend that it be given effect at my death in accordance with the provisions of Virginia Code § 64.1-45.1 (or any successor provision then in force.)

B. I bequeath the rest and residue of my tangible personal property or, if I do not leave the written statement or list referred to in Paragraph A, all of my tangible personal property to my daughters, Terri Kiser Farley and Karen Kiser Peters, in shares considered by my Executor to be approximately equal in value (taking into account any gifts made to any child by the list referred to in Paragraph A.), with the issue of ~~any~~ deceased daughter to take such child's share. However, if any beneficiary is less than eighteen (18) years of age, my Executor may

Kiser &
Whitwell, P.C.*

(a) deliver to the beneficiary or to a person standing in *loco parentis* to the beneficiary (or partially to each), without the intervention of a guardian, so much of the beneficiary's share as my Executor may deem appropriate, and

(b) sell the remainder of the beneficiary's share and add the net proceeds therefrom to the beneficiary's share in my residuary estate.

C. It is my intention to make equal provision for my daughters Terri Kiser Farley and Karen Kiser Peters (or issue of a deceased daughter as a group) in the distribution of my tangible personal property. Accordingly, if my Executor determines that my use of the written statement or list referred to in Paragraph A has resulted in any unequal economic treatment among these beneficiaries that cannot be eliminated by making adjustments in the distribution of my remaining tangible personal property as provided above, I bequeath unto the said Terri Kiser Farley and Karen Kiser Peters (or issue of a deceased daughter as a group) receiving a smaller share the amount my Executor determines necessary to equalize that share with the largest daughter's share.

*This instrument
prepared by
Gillespie, Hart,
Altizer &
Whitesoll, P.C.*

ARTICLE 2

I devise and bequeath all of the rest and residue of my estate, real and personal, including all lapsed or failed bequests or devises (herein referred to as my "residuary estate"), as follows:

A. My Executor shall divide my residuary estate into as many equal shares as there are (i) surviving children of mine and (ii) deceased children of mine who left issue surviving at my death and, subject to the provisions of Article 3, I dispose of such shares as follows:

- (1) I give one share to each of my surviving children; and
- (2) I give one share to the issue of each of my deceased children who left issue surviving at my death.

ARTICLE 3

If my son, Hubert Bryant Kiser, survives me, I devise and bequeath his share of my residuary estate to my Trustee, hereinafter named, IN TRUST, to hold and manage for Hubert Bryant Kiser's benefit during his lifetime. Taking into account all of Hubert Bryant Kiser's sources of income, support rights, and other resources of which my Trustee has knowledge, my Trustee shall either pay to or expend on his behalf as much of the trust's income and, if income is at any time insufficient, as much of the trust's principal as my Trustee deems necessary in order to insure his proper support, maintenance and health.

*This instrument
prepared by
Gillespie, Hart,
Altizer &
Whitesell, P.C.*

This trust shall terminate upon the death of Hubert Bryant Kiser, and the assets shall be paid over, delivered and conveyed to his heirs pursuant to the laws of Virginia governing intestate succession to real estate that are in force on the date of this will; provided, however, that should any such heir be under the age of eighteen (18), such heir's share shall vest absolutely and indefeasibly in the heir but (i) it may be retained in trust by my Trustee, and used on behalf of the heir in accordance with the instructions contained in the preceding paragraph, until the heir reaches the age of eighteen (18), or (ii) my Trustee may (a) pay over, deliver and convey the property to a suitable person (who may be my Trustee) as Custodian for the heir under the Virginia Uniform Transfers to Minors Act (18); or (b) pay over, deliver and convey the property to the heir; or (c) utilize any combination of (i) and (ii), above.

If any beneficiary in Article 2, or any beneficiary of a pecuniary bequest in Article 1, is under the age of eighteen (18) years (herein referred to as the age of distribution) at the time that distribution of the beneficiary's share and/or bequest is to be made to the beneficiary, then I give the share and/or bequest of such beneficiary to my Trustee, in trust, to hold, manage and expend for the benefit of the beneficiary. Taking into account all sources of income, support rights, and other

resources of the beneficiary of which my Trustee has knowledge, my Trustee shall either pay to or expend on behalf of the beneficiary as much of the trust income and, if income is at anytime insufficient, as much of the trust principal as my Trustee deems necessary in order to insure the beneficiary's proper support, maintenance, health and education.

This trust shall terminate when the beneficiary reaches the age of distribution, and the trust's assets shall be paid over, delivered, and conveyed to the beneficiary.

If the beneficiary should fail to attain the age of distribution, the trust's assets shall be paid over, delivered and conveyed to the beneficiary's heirs pursuant to the laws of Virginia governing intestate succession to realty and are in force on the date of this will; provided, however, that (i) should any such heir be the beneficiary of a trust created herein, and still in effect, the share of such heir shall be added to such trust and be held, managed and distributed as a part thereof, and (ii) should any other heir be under the age of eighteen (18), the share of such heir shall vest indefeasibly in the heir but (a) it may be retained in trust by my Trustee, and used on behalf of the heir in accordance with the instructions contained in the preceding paragraphs

*This instrument
prepared by
Gillespie, Hart,
Altizer &
Whitesell, P.C.*

of this article, until the heir reaches the age of eighteen (18), or (b) it may be distributed pursuant to the provisions of the following paragraph.

If, at any time, the property held in trust for any beneficiary is an amount so small that, in the discretion of my Trustee, the continuation of the trust is not in the overall best interests of the beneficiary, then my Trustee may terminate the trust and (i) pay over, deliver and convey the property to a suitable person (who may be my Trustee) as Custodian for the beneficiary under the Virginia Uniform Transfers to Minors Act (18); or (ii) pay over, deliver and convey the property to the beneficiary; or (iii) utilize any combination of (i) and (ii).

ARTICLE 4

I nominate my daughter, Terri Kiser Farley, as my Executor and as the Trustee of any trust created herein; and I nominate Karen Kiser Peters as Successor Executor and as Successor Trustee, if such be required. No surety shall be required upon the bond of any executor or trustee nominated in this will.

ARTICLE 5

A. The term "tangible personal property" shall be construed as not including (i) motor vehicles, (ii) boats, or (iii) any other tangible personal property that, in the determination of my Executor, is (a) held primarily for investment purposes or (b) used in connection with any

business in which I may be engaged or in which I may have any interest at the time of my death; provided, however, this restrictive definition shall not be applicable to any written statement or list I may leave pursuant to § 64.1-45.1 of the Code of Virginia (or to any reference in this will to such a writing), it being my intent that any such written statement or list shall have the broadest possible scope under the law.

B. When the identity of a beneficiary is to be determined by relationship, (i) a relationship by or through legal adoption shall be treated the same as a blood relationship but (ii) a relationship by or through illegitimacy shall not be recognized.

C. When this will provides for a gift to a person's issue, then (i) the takers shall be those children and more remote lineal descendants of the person who would have taken the person's real property under the Virginia laws governing intestate succession that are in force on the date of this will if the person had died unmarried at the time this will provides for the issue to take such gift, and (ii) the shares of such takers shall also be determined by said laws.

D. Every trust created by this will shall be a spendthrift trust. Accordingly, neither the corpus nor the income of any trust created herein shall be subject to the liabilities of, or to alienation by, any beneficiary.

prepared by
Gillespie, Hart,
Altizer &
Whitesell, P.C.*

E. The expenses of a funeral appropriate to my station in life and custom of living (including a suitable monument or marker for my grave) shall be paid by my Executor.

F. Where appropriate to the context, language expressed in (i) one gender shall include the other genders, and (ii) the singular shall include the plural and vice versa.

G. In addition to the powers now or hereafter granted by law, every fiduciary serving hereunder shall have all of the powers listed in Section 64.1-57 of the Code of Virginia as in force on the date of my death; provided, however, that the foregoing powers are exercisable only in a fiduciary capacity and may not be used by any fiduciary to enlarge or shift any beneficial interest except as an incidental consequence of the discharge of fiduciary duties.

H. If any fiduciary hereunder is required (or desires) to make any payment, delivery or conveyance to a beneficiary who, in the absolute discretion of the fiduciary, is believed to be lacking the ability to manage property and business affairs effectively by reason of mental illness, mental deficiency, physical illness or disability, chronic use of drugs, chronic intoxication, confinement, detention by a foreign power, disappearance, minority, or other disabling cause, I authorize the fiduciary to make such payment, delivery or conveyance to a suitable

person (who may be such fiduciary) as Custodial Trustee for the beneficiary pursuant to the terms of the Virginia Uniform Custodial Trust Act.

I. My Trustee may consolidate any trust created herein with any other trust created by me, or another person, which has the same Trustee and substantially the same dispositive provisions.

J. If the terms of this will provide for the creation of a trust for any beneficiary and if, in my Executor's discretion, the facts and circumstances existing at the time for the funding of such trust indicate that the creation of such a trust is not in the overall best interests of the beneficiary, then I authorize my Executor to not fund such trust but, instead, (i) to pay over, deliver and convey the property to a suitable person (who may be my Executor) as Custodian for the beneficiary under the Virginia Uniform Transfers to Minors Act (18); or (ii) to pay over, deliver and convey the property to the beneficiary; or (iii) to utilize any combination of (i) and (ii). My Executor may make such decisions in regard to any beneficiary and not make such decisions in regard to any other beneficiary.

Re: **Permanent Release of CBM Royalty
11 Wells as shown on Exhibit A
Dickenson, Buchanan, and Russell Counties, Virginia**

Dear Kristie:

As you are aware, EQT Production Company ("EQT") has drilled the coalbed methane gas wells which are identified on the attached Exhibit A either under pooling orders from the Virginia Gas and Oil Board ("Board") or as voluntary drilling units. For these wells, we are listed as having conflicting claims with the gas owners.

EQT, as operator of these units, has placed or will place all royalty proceeds attributable to the conflicting claims as it relates to CBM ownership into an escrow or suspense account. In order to allow release of the royalty proceeds, RRPM hereby waives any claims to past or to future royalties attributable to the CBM ownership for the portion of the tract included in the well units identified on the attached Exhibit A.

RRPM is requesting EQT to initiate distribution directly to the gas owners of all current royalties, as well as all future royalties, attributable to their interests in these wells.

If you have any questions, please do not hesitate to call me at 276-619-2583.

Sincerely,

RANGE RESOURCES-PINE MOUNTAIN, INC.
