Re: **Permanent Split of CBM Royalty**
James J. Hamilton - Oil and Gas 2/3 Interest
Susan C. & Kurtz Lantz – Oil and Gas 1/3 Interest
54.55 Acres
Gas 20.03 Acres
VC-535601
Dickenson County, VA

Dear Mr. Hamilton

As you are aware, Equitable Production Company (“EPC”) has drilled the referenced coalbed methane gas well on tracts of land (the “Property” or “Subject Tract”), in which ACIN LLC (“ACIN”) is claiming ownership of coalbed methane due to its ownership of the coal underlying the Property and you own an undivided interest in the gas. The above has created conflicting claims as to the ownership of the coalbed methane gas on the Subject Tracts between ACIN LLC, as current coal owner, and you, as the owner of an undivided interest in the gas. A plat indicating the location of the well within the operating unit is enclosed for your reference. The Commonwealth of Virginia has not made a judicial determination of ownership of coalbed methane (CBM).

Due to our conflicting interests in the Subject Tract, EPC, as operator of the unit, has placed all royalty proceeds attributable to our conflicting interests into an escrow account. These royalty proceeds will remain in the escrow account until either a final legal determination of our conflicting claims to the coalbed methane gas is made or we reach an agreement on the division of the royalty proceeds. The most economical and expedient way to secure a release of the escrowed funds is for us to enter into an agreement which sets forth how the funds are to be distributed. Accordingly, in order to avoid the expense and time required to resolve the ownership question through the courts, ACIN proposes resolving this matter by the agreement described below. Such an agreement will allow us to request distribution of the proceeds presently held in the escrow account and direct payment of all future proceeds.

Mr. James J. Hamilton
Page 2
March 27, 2009

ACIN proposes that you receive disbursement of 75% of the proceeds held in the escrow account on the above-mentioned wells and that ACIN receive disbursement of 25% of the proceeds held in the escrow account on the above-mentioned well. ACIN also proposes the same percentage division for all future production payments which may accrue to our conflicting interests from the above-mentioned well. ACIN will, at its sole expense, pursue the administrative process required to secure release of the proceeds held in the escrow account and will absorb all future costs of administering this Letter Agreement. None of these expenses and costs will be deducted from your 75% of the royalty proceeds. It is also agreed that the royalty from any future coalbed methane gas wells drilled upon the subject tract or upon other lands in which the subject tract is pooled therewith will be permanently split in the same 75%/25% proportion.

If this division of proceeds is agreeable with you, ACIN will diligently pursue the administrative processes required to secure release of the proceeds in the escrow account to you and ACIN. You will be provided with copies of the correspondence to EPC, requesting distribution of the escrowed funds as well as the directive to EPC to pay all future royalties and other benefits attributable to our conflicting interests in the same 75%/25% proportion.

This Letter Agreement effects a permanent division of the accrued, suspended or escrowed royalty payments and all future royalty payments on the above-mentioned well and future wells, which is binding upon you, your heirs and assigns and ACIN and its successors and assigns. By entering into this agreement, the parties agree to refrain from making any claim or bringing any suit against the other party attacking the other party's coalbed methane interests set forth in this Letter Agreement. It is expressly agreed by the parties hereto that the division of the accrued, suspended or escrowed royalty payments and all future royalty payments on the above-mentioned well and future wells shall remain subject to this Letter Agreement, regardless of any subsequent judicial determination of ownership of coalbed methane in the Commonwealth of Virginia. Provided, however, nothing contained in this Letter Agreement shall change or alter the parties' common law rights and liabilities or the legal title to their respective coal and gas estates.

By entering into this Letter Agreement, you confirm that you are the current record title owner of a partial interest of the gas estate underlying the Hamilton/Lantz 54.55 acre

tract and the current record title owner of the gas estate underlying Tract (1), as shown on the enclosed plat. If you are not the current gas owner, please notify us immediately.

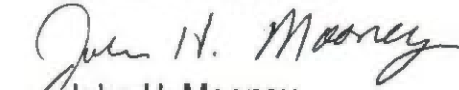

By accepting the terms and conditions of this Letter Agreement, you are directing EPC to disburse royalties in accordance with this agreement. It is understood and agreed that no other terms or conditions of your lease with EPC are affected by this Letter Agreement.

Please evidence your agreement to these terms by signing this Letter Agreement on the line indicated below and returning this Agreement to ACIN in the enclosed self-addressed, stamped envelope. If you have any questions, please do not hesitate to call me at the letterhead phone number.

This Letter Agreement remains valid for forty-five (45) days after your receipt of same.

Respectfully,
