

BEFORE THE VIRGINIA GAS AND OIL BOARD

PETITIONER: CNX Gas Company LLC

DIVISION OF GAS AND OIL  
DOCKET NO: VGOB 16-0621-4093

RELIEF SOUGHT: EXTENSIONS  
PURSUANT TO SUBSECTIONS  
A., B. AND C. OF § 45.1-361.22:2,  
VA. CODE ANN.—See paragraph 2. below.

HEARING DATE: June 21, 2016

DRILLING UNITS: SEE EXHIBIT 1.

MISCELLANEOUS PETITION

1. **Petitioner and its counsel:** Petitioner is CNX Gas Company LLC, 627 Claypool Hill Mall Road, Cedar Bluff, Virginia 24609, 276/596-5136. Petitioner's counsel is Mark A. Swartz, HILLIARD & SWARTZ, LLP, 122 Capitol Street FL 2, Charleston, WV 25301.

2. **Relief sought:**

- a. Extension of time delaying payments for gas claimants who have not provided W-9's and/or affidavits confirming gas ownership either to the Petitioner and Operator or to the Division of Gas and Oil until such time as the same are provided by the gas claimants.
- b. Extension of time delaying payments for gas claimants where there are title conflicts as to gas ownership until such time as the title conflict(s) is resolved by the competing gas claimants.
- c. Extension of time delaying payments to gas claimants who are unlocatable and to gas claimants whose interests are identifiable but who remain unknown.
- d. Extension of time delaying payments to gas claimants who derive their gas claims from heirships where the heirship(s) members and/or their fractional interests cannot be determined by the Petitioner and Operator. This group includes heirships where title conflicts prevent closure and/or the Petitioner and Operator is at present, having exercised reasonable diligence to do so, unable to populate the heirs to calculate their respective divisions of interest.
- e. 90-day extension of time delaying payment to members of heirships where all fractional interests are at present undetermined, but where the Petitioner and Operator has not determined as at d. above that it has reached an impasse.
- f. Authorize the Petitioner and Operator to commence publication after the extension period sought at e. above for a period of four weeks to possibly develop further information that might serve to identify unknown gas claimants and/or locate known owners who are at present unlocatable.

3. **Legal Authority:** *Va. Code Ann.* §§ 45.1-361.15, 45.1-361.21 and 45.1-361.22:2, and 4VAC25-160-140.

- a. § 45.1-361.15 generally required and authorized the Board to protect the correlative rights of gas owners. To that end, the Board established Rules, practices and procedures to insure that royalties subject to competing claims be deposited in an escrow account the Board controlled until gas owners could be determined and paid and competing claimants and their claims could be dismissed.
- b. § 45.1-361.21 specifically authorized and required the Board to escrow the funds under consideration.
- c. § 45.1-361.22:2, effective June 30, 2015, created a mechanism to, in general, disburse escrowed funds to gas claimants.
- d. Because the Board concluded it was essential that it create a streamlined administrative process to divert routine disbursements from the Board to the Director of the Division of Gas and Oil to accelerate the disbursement process, the Board undertook to develop an administrative mechanism to efficiently process routine petitions for distributions from escrow. At its June 16, 2015 hearing, the Board delegated authority to the DGO to process disbursements that in its judgment did not require a litigated hearing before the full Board.

4. **Type of well(s):** Coalbed methane.<sup>1</sup>

5. **Factual basis for relief requested:**

---

<sup>1</sup> There is/are at least 1, possibly more, conventional gas wells with funds in escrow.

a. In November of 2015, the Petitioner CNX Gas Company LLC filed a Miscellaneous Petition with the Board seeking a six-month extension of time to file applications under § 45.1-361.22:2. At its December 15, 2015 hearing, the Board granted said Petition extending the time for filing to June 30, 2016.

b. § 45.1-361.22:2., *Va. Code Ann.*, subject to the exceptions specifically delineated in the provision itself, generally contemplated that, when reasonably possible, operators would file their petitions for escrow disbursements on or before January 1, 2016.

c. § 45.1-361.22:2., *Va. Code Ann.*, by its express terms, authorizes the Board to “extend the time for filing the application and delay the payment of funds”:

- i. “[W]here the gas claimant fails to provide the Board with information needed under applicable law or regulation to distribute the funds.” This is the basis for 2.a. above.
- ii. When there are “gas title conflicts.” This is the basis for 2.b. above and in part 2.d.
- iii. When there are “unknown gas claimants.” This is a basis for 2.c. above and in part 2.d.
- iv. When there are “unlocatable gas claimants.” This is a basis for 2.c. above.
- v. For “other reasons beyond the reasonable control of the coalbed methane gas operator.”

e. The Petitioner provided the Board with Exhibit I when it filed its November 2015 Miscellaneous Petition. Petitioner is now in a position to classify those drilling units within the categories described at 2.a. through 2.d. inclusive. In addition, the Petitioner will identify those Units on Exhibit I where the escrow account has been closed in its entirety or disbursement Orders or Disbursement Petitions have been made or filed that will cause closure. The work on the units in escrow continues; classifications change daily. The exhibits will be updated during the week before the June 21, 2016 hearing, and the Units falling into the category closed, or can be closed, and the other categories delineated at 2 above will be specified at that time so that the Board has current information in hand when it addresses this Petition.

f. With regard to the relief sought at 2.e. above, there are some units, primarily as a result of unresolved heirships, that require further work to either resolve pending issues or to be placed into the category described at 2.d. With regard to these units, the Petitioner will request a further extension of 90 days to September 30, 2016.

g. With regard to the matter of publication as required by *Va. Code Ann.* § 45.1-361.22:2, the Petitioner proposes to commence publication after the extension period sought at 2.e. above and will seek the Board’s guidance with regard to format, content and newspapers of “general circulation.”

6. **Attestation:** The foregoing Petition to the best of my knowledge, information, and belief is true and correct.
