**COAL OWNERS**

**RE:** Unit \_\_\_\_\_  
Miscellaneous Petition for Disbursement from Escrow

Dear Property Owner,

House Bill 2058 was signed by the Governor and became law effective July 1, 2015. This new law requires the Virginia Gas and Oil Board to disburse monies placed in escrow because of conflicting claims (between coal owners and oil and gas owners) to coalbed methane gas royalties to the oil and gas owners of the tracts in this Unit.

In general, under this new law escrowed funds are to be paid to oil and gas owners unless the coal owner(s) provides the operator CNX and the Division of Gas and Oil "with evidence of a proceeding" [as in a court case] "or an agreement." The new law gives coal owners/coal claimants **45 days** from the date you get this letter to provide that evidence.

Enclosed herewith please find a copy of the 45 day Notice of Filing. Please read the Notice carefully to be sure you understand that you have 45 days to provide evidence to the operator CNX Gas Company LLC at the address above **and** the Division of Gas and Oil at PO Draw 159, Lebanon, VA 24266

In order to help us keep our records current and to make sure you receive all correspondence and notices promptly, please notify us of any address change at the address above.

Sincerely,

Anita Duty  
Pooling Supervisor

property, the ownership of which has not been decided by a court of competent jurisdiction in the Commonwealth of Virginia;

NOW THEREFORE, for and in consideration of the sum of One and no/100 Dollar, the Grantors hereby grant and convey unto the Grantees an undivided one-half interest each in and to the coalbed methane or coalseam gas underlying the above described property.

And further in consideration of the conveyance here made, the parties hereto hereby release and discharge each from the other of any and all claims which either may have, now or in the future, against the other arising out of or relating to the escrow or suspense of royalty funds for the production of the said coalbed methane or coalseam gas, or any act or omission in relation thereto, including, but not limited to all claims for interest.

The parties hereto further agree that each shall receive 50% of all funds and interest accrued thereon currently held in escrow or suspense (whether in-house suspense or not) as of the date of this deed, which funds are production royalties attributable to coalbed methane or coalseam gas produced from the aforesaid property.

Each party hereto shall receive 50% of all production royalties and interests accrued thereon attributable to future coalbed methane production from said property. Each party hereto shall receive 50% of all accrued and all future tax credit which may be available pursuant to Section 29 of the Internal Revenue Code of 1986 as amended. The parties hereto shall pursue the release of funds presently held in suspense or escrow, and any

expenses incurred in the undertaking shall be deducted from such funds upon their release and before the funds are divided in accordance with the provisions of this instrument. This conveyance and agreement shall supercede the terms of any forced pooling order which may affect the aforesaid property to any extent allowed by law.

The existing coalbed methane lease on the aforesaid property shall remain unaffected by this conveyance, except for the payment of royalties as set forth herein. The terms "coalbed methane or coalseam gas" shall include coalbed methane gas, coalbed gas, methane gas, gob gas, occluded natural gas in any formation, or other naturally occurring gases contained in or associated with any coalseam and all zones and communication therewith and all associated natural gas and other hydro carbon contained therein and all gas originating or produced from coalseam to coalseam underlying the aforesaid property and shall include the definition for coalbed methane or coalseam gas found in Virginia Code Section 45.1-361.1, as amended.

The parties hereto agree that if an escrow account is existing at the time of this agreement, the same shall be divided by the parties in the same ratio as royalties paid from this time forward. The parties further agree that the correct amount of interest in said account shall be as determined by the Escrow Agent for the Virginia Gas and Oil Board.

This instrument contains the entire agreement between the parties hereto.

IN WITNESS whereof, the parties have caused their names to be hereunto placed  
by their duly authorized managers.

and HARRISON-WYATT L.L.C., a Virginia Limited Liability Company and Norman  
Sanders 2013 Otterdale Rd., Midlothian, VA 23112, hereinafter called the Grantees;

WITNESSETH:

WHEREAS, Harrison-Wyatt L.L.C. is the owner of the coal underlying a certain  
tract of land situate in Buchanan County, Virginia and more particularly described on  
Exhibit A attached hereto and made a part hereof; and

WHEREAS, Norman Sanders 2013 Otterdale Rd., Midlothian, VA 23112  
owns the surface and the oil and gas underlying said property; and

WHEREAS, a conflicting claim exists between the parties as to the ownership of  
the coalbed methane or coalseam gas underlying said property; and

WHEREAS, the parties desire to compromise their conflicting claims by agreeing

property, the ownership of which has not been decided by a court of competent jurisdiction in the Commonwealth of Virginia;

NOW THEREFORE, for and in consideration of the sum of One and no/100 Dollar, the Grantors hereby grant and convey unto the Grantees an undivided one-half interest each in and to the coalbed methane or coalseam gas underlying the above described property.

And further in consideration of the conveyance here made, the parties hereto hereby release and discharge each from the other of any and all claims which either may have, now or in the future, against the other arising out of or relating to the escrow or suspense of royalty funds for the production of the said coalbed methane or coalseam gas, or any act or omission in relation thereto, including, but not limited to all claims for interest.

The parties hereto further agree that each shall receive 50% of all funds and interest accrued thereon currently held in escrow or suspense (whether in-house suspense or not) as of the date of this deed, which funds are production royalties attributable to coalbed methane or coalseam gas produced from the aforesaid property.

Each party hereto shall receive 50% of all production royalties and interests accrued thereon attributable to future coalbed methane production from said property. Each party hereto shall receive 50% of all accrued and all future tax credit which may be available pursuant to Section 29 of the Internal Revenue Code of 1986 as amended. The parties hereto shall pursue the release of funds presently held in suspense or escrow, and any

expenses incurred in the undertaking shall be deducted from such funds upon their release and before the funds are divided in accordance with the provisions of this instrument. This conveyance and agreement shall supercede the terms of any forced pooling order which may affect the aforesaid property to any extent allowed by law.

The existing coalbed methane lease on the aforesaid property shall remain unaffected by this conveyance, except for the payment of royalties as set forth herein. The terms "coalbed methane or coalseam gas" shall include coalbed methane gas, coalbed gas, methane gas, gob gas, occluded natural gas in any formation, or other naturally occurring gases contained in or associated with any coalseam and all zones and communication therewith and all associated natural gas and other hydro carbon contained therein and all gas originating or produced from coalseam to coalseam underlying the aforesaid property and shall include the definition for coalbed methane or coalseam gas found in Virginia Code Section 45.1-361.1, as amended.

The parties hereto agree that if an escrow account is existing at the time of this agreement, the same shall be divided by the parties in the same ratio as royalties paid from this time forward. The parties further agree that the correct amount of interest in said account shall be as determined by the Escrow Agent for the Virginia Gas and Oil Board.

This instrument contains the entire agreement between the parties hereto.
