Applicant estimates the cost for a well to said depth to be \$489,491.00 for a well completed for production. Exhibit C, attached hereto and made part hereof, is Applicant's signed Authorization For Expenditure ("AFE") which shows the estimated cost of drilling, completing and equipping said well.
- (e) The estimated production over the life of the proposed well is 850 mmcf. These figures concerning estimated production and the amount of reserves are, however, estimates only that are not based upon actual production and should not be relied upon for any purpose.

Re: **Due Diligence**
Lovis Brown Ball P/O 60 acres
VCI-538729

Dear Mr. Skorupa:

According to the public records of Buchanan County, Virginia, Lovis Ball Brown was an Heir of Anna Ball in the title ownership to the surface, oil, and gas under a 60 acre tract in 1937. By deed dated November 23, 1912, of record in Buchanan County Deed Book 57, Page 126, Cornelius Ball conveyed the 60 acre tract to Anna Ball (being the same person as Margaret Ann Ball). Margaret Ann Ball died intestate on January 28, 1937 leaving surviving one of her heirs, Lovis Ball Brown.

There is no Will or List of Heirs filed in Buchanan County for Lovis Ball Brown and record title to the oil and gas stops on January 28, 1937. This tract of acreage was encountered several years ago by a previous operator, EQT Production Company, and was force pooled as an unknown owner. Enervest personnel have reviewed EQT's files as well as the third party title opinions and attempted to update the owners, but has been unable to find any current information on a Lovis Brown Ball, his heirs or assigns. It is my opinion that an accurate and complete list of current heirs for Lovis Ball Brown would be impossible to gather.

Therefore, Enervest Operating Company, Inc. has made a diligent effort to locate the unknown heirs of Lovis Brown Ball.

Please feel free to contact me by email or 276-926-1356 should you have any questions or need additional information.

Sincerely,
Larry Reeves II
Sr. Landman
