WHEREAS, to avoid the possibility of escrow of royalties from those areas where the Lessor owns the coal and third parties own the oil and gas, the parties hereto have reached an agreement and desire by this instrument to set forth that agreement.

NOW THEREFORE, in consideration of the premises which are incorporated herein as a part of this agreement and not as mere recitals, and other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the parties intending to be legally bound, hereby agree as follows:

1. For those areas where the third party owner of the oil and gas estate has executed an agreement similar in nature to this agreement, the Lessor agrees that it will accept as payment in full 50% of the royalties otherwise due under the Coalbed Methane Gas Lease of November 3, 1997.

2. The terms of this agreement shall supersede the terms on any forced pooling order entered prior to, contemporaneous with, or subsequent to the date of this agreement.

3. This agreement shall remain in full force and effect until the exhaustion of all coalbed methane gas underlying the properties where the Lessor does not own the oil and gas.

4. This agreement states the entire contract between the parties and no representation or promise, oral or written, on behalf of any party shall be binding unless contained herein.

5. This agreement shall be binding upon the successors and assigns of Lessor and Lessee.

In Witness whereof, the Lessor has caused their names hereunto placed by their duly appointed officers and Lessee has caused its name to be hereunto placed by its duly authorized agent.

COAL OWNERS

RE: Unit _____
Miscellaneous Petition for Disbursement from Escrow

Dear Property Owner,

House Bill 2058 was signed by the Governor and became law effective July 1, 2015. This new law requires the Virginia Gas and Oil Board to disburse monies placed in escrow because of conflicting claims (between coal owners and oil and gas owners) to coalbed methane gas royalties to the oil and gas owners of the tracts in this Unit.

In general, under this new law escrowed funds are to be paid to oil and gas owners unless the coal owner(s) provides the operator CNX and the Division of Gas and Oil "with evidence of a proceeding" [as in a court case] "or an agreement." The new law gives coal owners/coal claimants 45 days from the date you get this letter to provide that evidence.

Enclosed herewith please find a copy of the 45 day Notice of Filing. Please read the Notice carefully to be sure you understand that you have 45 days to provide evidence to the operator CNX Gas Company LLC at the address above **and** the Division of Gas and Oil at PO Draw 159, Lebanon, VA 24266

In order to help us keep our records current and to make sure you receive all correspondence and notices promptly, please notify us of any address change at the address above.

Sincerely,

Anita Duty
Pooling Supervisor
