

## **PHOTO ID REQUIRED**

Article 3 of the **Coal Mine Safety Laws of Virginia** establishes requirements for certification of coal mine workers. The certification requirements are included in §45.2-515 through §45.2-534, in which the Board of Coal Mining Examiners is established for the purpose of administering the certification program. The Board has promulgated certification regulations 4 VAC 25-20, which set the minimum standards and procedures required for Virginia coal miner examinations and certifications.

### **CERTIFICATION CLASSIFICATION: *Board of Coal Mining Examiners Instructor***

This certification entitles the holder to conduct certification classes for certifications other than those with specific instruction requirements such as Electrical Repairman, Diesel Engine Mechanic and Advanced First Aid.

### **APPLICATION/EXPERIENCE REQUIREMENTS:**

- Application (BCME-1) and \$40.00 fee 5 working days prior to examination if examination is required
- Submit résumé of teaching experience signed and dated
- Submit copies of instructor certifications
- Current first aid training (MSHA 5000-23 Annual Retraining or New Miner Inexperienced Training acceptable)
- Gas Detection Instructor training must be completed at time of monitoring.

**Note: General Miner certification not required**

**EXAMINATION REQUIREMENTS:** Applicants that have instructor experience will not be required to take an examination. Individuals wishing to become certified to teach certification classes but have no valid card must complete requirements as determined by the Chief of the Division of Mines. **All instructors must be monitored by a DM Representative prior to issuance of Instructor certification and may be asked to co-teach a class with DM Instructor.**

**Prior to conducting a class,** Instructors must have completed all Board of Coal Mining Examiners requirements for Board of Coal Mining Instructor certification except “Monitoring”.

### **RECOMMENDED REFERENCE/STUDY MATERIALS:**

- BCME Requirements (No Charge)
- Study Guides (if available) appropriate to the certification class to be taught.

The above mentioned materials are available at Virginia Energy’s the Big Stone Gap Office, 276-523-8100

**\*Applicant shall maintain certification by teaching at least one approved certification course every two years.**
