SUPPORTING INFORMATION

Include the following documents and information with this bond release application:

1. Copy of the public notice required by the **Virginia Coal Surface Mining Reclamation Regulations**.
2. Copies of the bond release notification letters sent to:
 - a) adjoining property owners.
 - b) surface owners.
 - c) local governmental bodies.
 - d) planning agencies.
 - e) sewage and water treatment facilities or water companies.
3. Copies of applicable vegetative surveys, productivity comparisons, and any other data supporting the bond release request.
4. **For bond release -**
 - a) If the application requests a **Phase II** release, calculate the amount of bond which must be retained to cover any follow-up reclamation, restoration, or abatement work such as reseeded, structural removal, drainage control, and required monitoring. The remaining bond needs to include the administrative and inflationary costs for the remaining liability period.
 - b) If this application concerns only a portion of the permit area, attach a map (with certified and notarized legend) that delineates the areas for which bond release is requested.
5. **For bond release of increment(s)-** If the application concerns incremental areas, attach a map (with certified and notarized legend) that delineates the areas for which bond release or reduction is requested. Also include on the map, the date of last seeding for each applicable increment.
