

General Information

The Virginia Department of Energy's Gas and Oil program, in partnership with the Virginia Oil and Gas Association (VOGA), created a program to recognize outstanding achievements by members of the gas and oil industry in Virginia. Nominations may be submitted by the nominee themselves or from other outside organizations. **Entries must have been initiated or ongoing during the 2021 calendar year.** Each individual entry must be on a separate form.

How to Enter: Entries must be submitted to Virginia Energy by July 30, 2022. Digital entries are preferred and may be sent to sarah.gilmer@energy.virginia.gov. Physical entries may be mailed or delivered to Virginia Energy ATTN: Sarah Gilmer, 3405 Mountain Empire Road, Big Stone Gap, VA 24219.

Judging: The awards committee will include Virginia Energy gas and oil staff as well as industry representatives.

Announcement of Winners: The award winners will be announced at the **Fall Annual VOGA Meeting Banquet, located at the Martha Washington Inn, Abingdon, Virginia on October 13, 2022**, and will be highlighted in a special program book. Winners will be notified in advance so they can make appropriate arrangements to attend.

Please complete with full and accurate contact information. This information will be used to notify winners and communicate details about award events.

Judging Categories

INDUSTRY INNOVATION Have you implemented new ideas or technology with positive, industry-changing results? This award celebrates those efforts by a single company or in a partnership. Applicants should submit any projects that demonstrate the use of technology or innovation to resolve a problem or meet an objective and measure its overall effectiveness. The project can be related to natural gas production, transmission and distribution of natural gas. Innovation could've been used in acquisition, reserves, exploration, drilling, completion, production, operation, processing and/or reclamation.

ENVIRONMENTAL STEWARDSHIP This award is for companies that pride themselves on environmental stewardship. Applicants should describe how they demonstrated excellence in areas associated with the protection of the environment. This can include regulatory compliance during production, transmission and distribution of natural gas.

COMMUNITY OUTREACH This award recognizes companies that make a positive impact in the communities where they do business and in which they serve. Applicants should share examples that made an impact on customers and others. Projects or programs should demonstrate excellence in community initiatives, education, public awareness or community outreach. The cumulative effort of employees and their involvement should also be described in the entry.

ENERGY OPERATOR OF THE YEAR Energy Operator of the Year is open to production companies, pipeline companies and local distribution companies that conduct business in Virginia. This prestigious award will acknowledge the best in the industry. Applicants should demonstrate the company's commitment to all important aspects including safety, environmental stewardship, regulatory compliance, community outreach, innovative efforts and other details that make 2021 a standout year for one worthy winner.

OUTSTANDING SERVICE PROVIDER OF THE YEAR This award is open to contracting companies that work in the natural gas industry. An award of prestige, this recognition is designed for those companies that have outstanding records in both safety and environmental stewardship. Nominations should include descriptions for both and include any commitment to community made by the contracting company.

INDIVIDUAL EXCELLENCE This award is for one individual that goes above and beyond to serve the Virginia Gas and Oil Industry. The applicant should be a natural leader and can be recognized for safety, workmanship, education, outreach, innovation or much more.
